Description

Ezy Dose AM/PM Push-Button Pill Planner offers easy access to daily medication. The push-button feature and easy grip bottom are a no fuss, easy way to access compartments. Moreover, Ezy Dose AM/PM Push-Button Pill Planner is great for those with dexterity issues. Bottoms are round for easy pill removal. In addition, see-through covers make it easy to know if you've taken your medication and/or vitamins on time. Compact size fits easily in pocket or purse.
