Description

Ezy Dose Daily AM/PM Pill Planner features a rounded base in each compartment for easy pill retrieval. Snap-shut lids resist popping open even when dropped. See through plastic makes it easy to see whether medication or vitamins have been taken. Each easy-to-open compartment is marked with the time of day and the compact size is great for on-the-go needs.

Use:

Wash before initial use with warm, soapy water. Rinse and allow to dry completely before using.
To open, gently push up tab on compartment lid.
