Description

**Description:**

Fillerina Day Cream Grade 3 effortlessly rejuvenates the skin and reduces the appearance of all deep set wrinkles and lines.

Developed to mirror the effects of the Dermo-Cosmetic Replenishing Treatment Grade 3, Day Cream Grade 3 recovers the skin's former plumpness and 'plumps up' deep set wrinkles. Formulated with moisture-rich ingredients such as Vitamin E and exfoliating components like Salicylic Acid, this luxurious cream guarantees to correct all deep-set lines and expression wrinkles while caring for the rest of the complexion.

Incredibly gentle to the skin yet powerfully effective, this revolutionary anti-ageing cream provides magnificent day-long moisturizing hydration whilst simultaneously reducing the appearance of prominent facial creases. Attack wrinkles with this incredible beauty necessity that contains six Hyaluronic Acids that magnificently fight the signs of ageing.

**Use:**

Apply every morning to face and neck. Warm up in your palm and pat on skin.
