Description

Description:

Fillerina Day Cream Grade 2 ensures that visible wrinkles and expression lines are eradicated from the complexion painlessly yet effectively.

Developed to mirror the effects of the Dermo-Cosmetic Replenishing Treatment Grade 2, Day Cream Grade 2 recovers the skin's former plumpness and 'plumps up' wrinkles. Attack wrinkles with this incredible beauty necessity that contains six Hyaluronic Acids that magnificently fight the signs of ageing.

Formulated with moisture-rich ingredients such as Vitamin E and exfoliating components like Salicylic Acid, Day Cream Grade 2 guarantees to correct all facial creases and expression lines whilst caring for the rest of the complexion. Incredibly gentle to the skin yet powerfully effective, this revolutionary anti-ageing cream provides magnificent day-long moisturizing hydration whilst simultaneously reducing the appearance of facial imperfections

Use:

Apply every morning to face and neck. Warm up in your palm and pat on skin.
