Description

Description:

Fillerina Eye & Lip Contour Cream Grade 1 corrects the signs of fine lines and barely-there wrinkles around the lips and the eyes.

Formulated to help to prolong the results of Fillerina Dermo-Cosmetic Replenishing Treatment Grade 1, Eye and Lip Contour Cream Grade 1 contains a blend of six Hyaluronic Acid which ensure all of the signs of ageing are visibly reduced. This revolutionary anti-ageing cream helps to regain the skin's natural plumpness thanks to a blend of Vitamin E, Rice Bran and Sweet Almond, all of which help to repair the skin's cells while strengthening and fortifying the fragile eye and lip areas.

Eye And Lip Contour Cream Grade 1 is ideal for reducing the visible signs of early onset fine lines and slight wrinkles. This innovative beauty necessity fabulously smooths facial creases effortlessly and effectively whilst brilliantly enforcing the skin's natural elasticity.

Fillerina Eye and Lips Contour Cream Grade1
