Description

Description:

Wake up to beautiful skin every day with the smoothing Fillerina Night Cream Grade 1 made by Fillerina. Infused with potent ingredients like hyaluronic acid and peptides, this daily moisturizer works to gently alleviate wrinkles, lip lines, dryness and dehydration and crow's feet.

Key Ingredients:

Hyaluronic Acid: A 6 molecule size formula that fills and plumps

Matrixyl: a peptide which promotes collagen production

Shea Butter: to nourish the skin while sleeping

Vitamin E: helps to hydrate the skin

Vitamin A helps to correct sun damage

Fillerina Night Cream Grade1

Key Benefits:

Adds back in the loss of HA molecules from beginning aging
Prolongs and maintains the Fillerina 14 day Treatment
Leaves skin smooth and acts as a perfect primer to apply makeup
30% of the ingredients in this treatment are the 6 HA molecules, matrixyl and hexapeptides
Grade 1 creams are a perfect starting skin care routine for younger skin

Use:

Apply every night to face and neck. Warm up in your palm and pat on skin.
