Description

Description:

HAND ABSOLUTE® is the first comprehensive anti-ageing treatment for hands and nails to visibly rejuvenate, leveraging three high-performance agents that combine to optimize nourishment and hydration of the skin on an ongoing basis.

The Filorga Absolute hand cream contains lots of lovely ingredients such as:

- Plant sugar: up to 72 hours hydration
- Coconut butter: nutritious regeneration of dry hands
- Shea butter: treats damaged hands
- Hyaluronic acid: firms the skin
- Lipoamino acid: filler-like effect
- Collagen: intensively smoothing effect
- Extract from sea lily: reduces dark spots
- Sulphur-rich complex and pro-keratin: stimulates nail growth and nourishes the cuticles

Benefits:

Absolute nutrition: a repairing complex of exclusive butters is incorporated in a unique ultra-penetrating creamy texture that deeply nourishes the skin without leaving a greasy film.

Complete anti-ageing: an active ingredients trio containing hyaluronic acid, collagen and lipopeptide smooths, firms and plumps in a single step for visibly younger-looking hands.

Perfectly even skin tone: a rare clarifying sea Lily extract combats dark spots and restores an even skin tone for hands that radiate with a youthful glow.

Beautiful nails: a keratin booster stimulates and strengthens the nails, making them smoother, shinier and less brittle.

Use:

Apply HAND-ABSOLUTE® to the hands and nails at any time of day using gentle circular movements.
