Description

Description:

Filorga Optim-Eyes Lotion is an eye make-up remover serum that removes make-up, revitalizes and fortifies lashes. Ophthalmologically tested. Water-proof efficacy

Benefits:

Two-phase make-up remover enriched with an oleo-clean complex to instantly remove all eye make-up, even waterproof. Fortifying serum phase contains a stimulating peptide and a protein booster, to visibly reduce signs of fatigue in the eye area and fortify lashes.

Use:

Use morning and/or evening with a cotton pad. Shake well before use. Do not rinse. For external use only
