Description

Description:

Due to its soothing and anti-ageing properties, Filorga's foam cleanser is suitable for all skin types including both sensitive and mature skin. For best results Filorga's foam cleanser should be used morning and evening and can be used for removing all traces of eye make-up too.

Use:

Put some into the palm of your hand and gently massage onto wet skin. Rinse immediately with water thoroughly. Your skin is perfectly cleansed and ready to receive your anti-ageing products.
