Description

Description:

All the power of pure hyaluronic acid in a concentrated serum to intensely plump the skin.

Benefits:

Hydrating, smoothing and plumping: 4 types of hyaluronic acid to instantly hydrate, smooth and plump the skin.

Pro-youth action: 2 plant-based hyaluronic acid boosters to restore the skin's natural reserves.

Radiance boosting effect: Renews the epidermis to restore the skin's fresh-looking, clear appearance.

Use:

Apply daily morning and evening, before your day and/or night cream.
