Description

Filorga NCEF-Reverse Eyes is rich in NCEF for an intensive pro-youth action as well as reviving action. Comfortable texture in addition to high absorption

Benefits:

-COMPLETE RENEWAL OF THE EYE AREA [ACTIVATED REGENERATION] - Formula incorporating NCEF, a unique poly revitalizing complex developed by Laboratoires FILORGA with 50 ingredients used in eye care for the first time in concentrations equivalent to those in a meso-injection.
-CORRECTION [WRINKLES – FIRMNESS – RADIANCE – DARK CIRCLES – PUFFINESS] – A formula with a cocktail of 5 active ingredients [hyaluronic acid + collagen + vitamin C + escin + caffeine], which penetrates deep inside the skin thanks to GENIUS-VECTOR TECHNOLOGY. Consequently, Filorga NCEF-Reverse Eyes effectively corrects all the signs of aging in the eye contour.

Use:

Filorga NCEF-Reverse Eyes

Apply daily, in the morning and/or evening. Dab lightly onto the entire eye area, not forgetting the upper eyelids.
