Description

Description:

An ultra-regenerating night mask containing active ingredients inspired by aesthetic medicine. Wake up to visibly younger skin. Quick-penetrating mask to use as a night cream – Radical effect

Benefits:

INTENSIVE SKIN QUALITY RENEWAL [ACTIVATED REGENERATION]Formula incorporating NCEF, a unique polyrevitalisant complex developed by Laboratoires FILORGA with 50 ingredients incorporated for the first time in concentrations comparable to those used in a meso-injection*.

NIGHT-TIME SKIN RECOVERY [WRINKLES + FIRMNESS + RADIANCE]The Melatonin'CX®, a powerful skin reviving active ingredient, acts during the night to give rested features, while a [hyaluronic acid + collagen] booster plumps up the skin.

A natural detoxifying ingredient simultaneously frees skin from oxidative stress and pollutants to give radiant skin upon waking.

Filorga NCEF-Night Mask

Use:

Apply a thin layer at night to completely cleansed skin, including the eye contour area and neck.
The product is absorbed in a few minutes. Leave it on all night long to get all its benefits.
Can be used every other day or every evening depending on the needs of your skin.
