Description

Description:

Triple action eye care to reduce dark circles, under-eye bags and wrinkles in a single step.
Fresh, melting and moisturizing texture - can be refrigerated.

Benefits:

Dark circles: A (matrikines + chrysin) complex fosters the elimination of pigmented residue to reduce the color of dark circles.

Puffiness: Powerful peptides act on microcirculation to decrease the volume of under-eye bags.

Wrinkles: A trio of smoothing active ingredients containing hesperidin to remove creases from the eye area.

Use:

Apply OPTIM-EYES®, morning and evening, gently dabbing it around the eye contour with the fingertips. Store in the refrigerator to optimise the lifting effect.
