Description

Description:

All Filorga's expertise in aesthetic medicine within a perfecting cream to reduce wrinkles, pores and shine in a single step.

Fresh cream-gel texture

Visible effectiveness after 3 days*. Wrinkles, pores and imperfections are reduced. The skin appears smoother with a matte finish.

Benefits:

Contraction wrinkles: A tripeptide to relax the features without freezing facial expressions.

Deep wrinkles: A powerful collagen boosting peptide combined with encapsulated hyaluronic acid to visibly plump deep wrinkles.

Surface wrinkles: A peeling-effect active ingredient to smooth micro-cracks in the skin.

Dryness wrinkles: A plant extract that captures water to sustainably reduce dehydration lines.

Filorga Time-Filler Mat

Pores and shine: An astringent active ingredient to reduce pore size combined with zinc for a long-lasting matte effect.

Use:

Apply each morning on the neck and face. Massage in with the fingertips using light dabbing movements.
