Description

**Description:**

Flexitol Cuticle & Nail Cream 20g, has been scientifically formulated to condition the cuticles and nails. With emollient and moisturising properties, this rich formulation efficaciously smoothes away dry, ragged edges, keeping cuticles soft and pliant. **Directions:** Massage into cuticles and base of nails daily. For a special treatment, apply a generous amount of Flexitol Cuticle and Nail Cream, then massage in well. Soak in warm water for 2 minutes to remove excess cream
