Description

Description:

Priotic Plus is a natural solution for digestive problems and a real gain for immune system and health in general. With ProbiPlus' powerful formula, all your digestive issues can be stopped once and for all.

- 25 Billion Active Lactic Bacteria/capsule at start.
- Favors a flat and comfortable stomach.
- Intestinal Balance and Immune System.
- Preserves the beauty of body and skin.
- Helps to reduce lactose intolerance.
- Makes proteins and calcium bioavailable.

Priotic Plus can:

- Prevent gas, constipation, diarrhea, bloating, digestive discomfort and bad breath.
- Alleviate IBS symptoms, crohn's disease and ulcerative colitis.
- Improve lactose intolerance.
- Build resistance to cold and flu.
- Eliminate recurring yeast infections.
- Protect against food poisoning and food-borne allergies.
- Reduce cholesterol levels.
- Neutralize toxins and carcinogens.
- Prevent antibiotic-associated intestinal troubles.

ProbiPlus leads to a healthy level of friendly flora that prevents all unpleasant symptoms of the digestive system.

This healthy flora works on :

Preventing fungus, molds and yeasts like candida albicans.

Protecting the intestinal linings from the leaky gut syndrome which has been linked to devastating auto immune disorders such as arthritis, chronic fatigue syndrome, lupus, asthma, IBS, colitis, crohn's and allergies.

Safeguarding lymphoid tissues in the intestinal wall lining that produce a big part of your immune system.

Use:

Take 3 capsules daily (1 after each meal) for 3 months. Maintain with 1 capsules daily, preferably after dinner.
