Description

Description:

This vegetable soaps are processed entirely in an artisanal way according to the oldest manufacturing tradition. All the components are cold mixed and refined with a base of fine vegetable soap. To ensure a gentle cleansing, it use only natural ingredients without dyes, paraffin and preservatives. Each single block of soap is cut and transformed into the finished product and then finally packaged.

Free of palm oil, EDTA and colorants.

Handmade

Made in Italy

Use:

Gently massage on to wet skin to create mild foam. Rinse thoroughly.
