Description

Description:

Galénic Aqua Infini Skincare Lotion 40ml: has been specially created to moisturise and prepare the skin.

Galénic Secret d'Excellence The Cream 15ml: is a white cream, with fine and mild texture like a snowflake, that has been specially created to soothe, moisturise, replump and even mature skins.

Galénic Beauté de Nuit Chrono-Active Aqua-Gel 15ml is a night care with fresh aqua jelly texture, with regenerative power that acts all night long for a more youthful, glowing skin in the morning.

Directions:

Galénic Aqua Infini Skincare Lotion : Apply morning and/or evening on the face and neck before serum or daily care.

Galénic Secret d'Excellence The Cream: Apply morning and/or evening on the face, neck, décolleté.

Galénic Beauté de Nuit Chrono-Active Aqua-Gel 15ml: Apply in the evening a fine layer on face and neck.
