Description

Description:

Galénic Ophycée Correcting Cream 50ml is a blue cream with fresh and unctuous texture, that has been specially created to smoothe wrinkles, nourish and illuminate dry skins.

The main active ingredient of its formula, the absolute extract of blue algae, powerful antioxidant, patented and exclusive, is here combined with other active ingredients such as: antioxidant vitamin E, moisturising molecules, gentle emollients for a velvety touch, shea butter that provides

softness and comfort to the skin.

Results: day after day, wrinkles disappear. The skin is nourished, more comfortable and illuminated. The skin is lightly perfumed of anise watermelon, jasmine and sandalwood.

Directions:

Apply morning on the face, neck and décolleté.

Indication : To smoothe wrinkles, nourish and illuminate dry skins.
