Description

Description:

Garnier's first milk made with 96% ingredients of natural origin, enriched with Aloe Vera Extract, known for its hydrating powers. It gently, yet efficiently removes make up and impurities for perfectly clean, fresh and hydrated skin.

Features:

- Contains 96% ingredients of natural origin.
- Free from parabens, silicones and artificial colourants.
- Dermatologically tested

Use:

Remove make up with a cotton pad soaked in the milk.
