Description

Description:

The real power behind garcinia cambogia is its key ingredient, hydroxy citric acid (HCA). HCA inhibit citrate lyase enzyme in your body which is known to be an important catalyst in the metabolic process of converting excess carbohydrates into fat. The chlorogenic Acid from green coffee extracts help people to lose weight. The ginger have effect on gastrointestinal system, by reducing the appetite, the caloric intake, and help to increase the metabolic rate.

Benefits:

- Helps reduce appetite
- Helps reduce fat absorption
- Helps enhance body metabolism

Made in Turkey

Use:

Use 3 gums daily (morning, noon and evening) 30 minutes before meals. If you have any existing medical conditions or any health problems, please consult your health care professional. Do not exceed recommended dosage.
