### Description

**Description:**

Gerimax Daily Energy is recommended for persons over 15 years of age who wish to maintain a healthy vitamin and mineral balance, a healthy immune system and who wish to improve their physical and mental capacities.

GGE ginseng extract is a unique and effective extract, exclusively used in the gerimax products. It is documented that ginseng extract fights fatigue, improves concentration and provides the body with new energy that lasts throughout the whole day.

**Features:**

- provides new energy throughout the whole day
- reduces tiredness and increases concentration
- helps the mind and body to feel mentally and physically energized

**Use:**

1 tablet per day preferably with breakfast or lunch. Do not take Gerimax on empty stomach.
