Description

Description:

HepaLife with its unique formulation is designed to boost the liver function filtering harmful toxins and restoring its health. It is based on the highest dose of silymarin, the most studied hepatoprotective compound in nature. In addition, Hepalife contains highly concentrated artichoke extract with strong antioxidants glutathione and alpha lipoic acid, which work synergistically to protect your liver from damaging substances.

Use:

Take 1 capsule per day, 30 minutes before food, or as directed by your physician.
