### Description

**Description:**

**Vital Q Fert** is a nutritional supplement specially formulated to contain the highest doses of the most studied nutrients and antioxidants that were shown to improve sperm function, by increasing sperm count, and enhancing sperm motility and quality.

**Vital Q Fert** is based on Kaneka Q10, the only bio-identical coenzyme Q10, and the only nutritional supplement that was shown to increase pregnancy rates in clinical trials.

**Directions:**

Take 2 capsules per day, one before breakfast and one before lunch, or as directed by your physician.
