### Description

**Description:**

Children's Echinacea is a well-formulated liquid using herbs and nutrients that will help maximise immune support for your child. It provides the purest Echinacea herbal support during exposure to colds and flu. Extracted in glycerine to preserve the herb and its full potency, these drops have a pleasant cherry flavour that children won't mind taking. Acerola cherry contains natural B vitamins, minerals and protein, and the richest source of Vitamin C, a powerful antioxidant that provides immune support for your child during demanding times.

**What Is Children's Echinacea Liquid 50ml For?**

- It may provide children with additional Immune Support
- It serves as a good antioxidant
- It may help maintain vital body functions
- It may provide children with energy when they feel run down

**Use:**

Shake well before use. Take directly or mix drops in a small amount of pure water or juice. Children 2-6 years, 15-20 drops (1ml) daily; children 6-12 years can increased to 2ml (35-40 drops). Do not exceed recommended daily intake unless advised by a suitably qualified person.
