Description

Description:

Cocoa Butter Cream contains Cocoa Butter, which is an aromatic solid butter, pressed from the roasted seeds of the Cacao tree. It is a superb emollient that softens and protects dry and chapped skin and could also contribute to reducing signs of wrinkling and stretch marks. HealthAid has formulated this cream using high quality Cocoa butter, which is readily absorbed, non-greasy and helps to lubricate, moisturise and soften the skin, while improving skin elasticity.

Free from:

- Parabens, sulphates, propylene glycols, PEGS, TEA
- Artificial colours or fragrances
- Animal based products or animal testing
- Vegetarian friendly & Eco-friendly

Cocoa Butter Cream May Be Of Benefit To :

- People who wish to maintain smooth skin texture
- Those with very dehydrated skin
- People who experience skin conditions such as eczema
- Those with dry, itchy skin

Use:

Apply sparingly to the appropriate area and gently massage until fully absorbed; suitable for face, hands and body.
