Description

Description:

Activated charcoal helps absorb and neutralise gas created by indigestion and food fermentation in the stomach and intestinal tract. Gastone capsules act as a natural internal cleanser and deodoriser, beneficial for maintaining digestion, intestinal hygiene and fresh breath. Derived from coconut shell which provides much greater absorption than ordinary charcoal.

Gastone Capsules may be of benefit to:

- Those who experience different intestinal problems, and feel bloated or gaseous
- Those who experience indigestion
- People who wish to help their bodies and liver in detoxification process

Free From Yeast, Gluten, Wheat, Soya, Dairy, Sugar, Salt, Artificial Colours, Flavourings and Preservatives.

Use:

One to two capsules daily, after food. Can be increased to four per day if required. Do not exceed recommended daily intake unless advised by a suitably qualified person.
