Description

Description:

Iron Formula Plus Tablets are a formulation providing essential iron. They also contain B complex, which contribute to the release of energy from food, and Vitamin C which contributes to normal iron absorption. The iron used here is ferrous gluconate as it is readily absorbed and less likely to cause intestinal side effects.

FREE FROM SUGAR, SALT, CORN, GLUTEN, YEAST, GELATIN, LACTOSE, STARCH, WHEAT, SOYA, NUT
FREE FROM ARTIFICIAL COLOURS, FLAVOURINGS AND PRESERVATIVES

Iron Formula Plus Tablets may benefit:

- Vegetarians who may have compromised dietary intake
- Pregnant women, under advisement, whose iron levels may be low
- Those who have been diagnosed with iron deficiency anaemia

HealthAid Iron Formula Plus

Use:

Adults and children over 12 years, three tablets daily with main meals as a food supplement
