Description

### Description:

Heliocare purewhite Radiance demonstrates improvement in skin moisturization, skin brightness, skin elasticity and reduce water loss through our skin. These parameters are associated with decrease of skin blotches (whitening effect), preventing face and body pigmentations and wrinkles (anti-aging effect).Which contains fernblock and pomegranate extract, clinically proven to help in skin whitening.The differences between purewhite radiance and

purewhite max240, purewhite max240 is bolstered with additional dose of fernblock. The perfect combination of fernblock and White Tech Complex synergistically targets the production of dark pigments and counteract harmful effects of environmental aggressors to promote radiance and youthful looking skin. Enhanced with the exclusive blend of White Tech Complex where it controls and blocks the main enzyme that is responsible for melanin production. The blend in White Tech Complex consist of Pomegranate extract, L-Cystine, vitamin C and B3, all clinically proven to promote skin fairness and radiance.

**Directions:**

Take 2 capsules daily. 1 in the morning and 1 in the evening.
