gives a beautiful shine. Herôme Nail Hardener guarantees strong nails within 14 days.

Apply a layer of Nail Hardener

Apply a second layer of Nail Hardener

Remove the layers with the Caring Nail Polish Remover and apply a layer of Nail Hardener.

Finally, apply a second layer of Nail Hardener, etc.

Repeat this for program for 2 weeks.

Herome Cuticle Cream prevents and combats hard nail tips and makes them smooth and soft. Ideal for massaging or restoring skin at night.

Apply the Herôme Cuticle Cream to the cuticle and massage into the nails well. Preferably apply before sleeping so that the cream can work on the nail throughout the night.

Herome Nail Polish Remover is acetone free. It prevent dry nails. It is mild and gentle.

Apply the Herôme Caring Nail Polish Remover to a dry cotton pad and hold the saturated pad onto the nail. Remove the nail polish from the cuticle to the tip of the nail.
