Description

Herome Nourishing Nail Oil is suitable for use on dry nails, forcing the growth of weaker nails. The oil even reaches underneath the nail to the root, thus helping to restore the condition of nails. . Moreover, it protects the nails against damage and keeps them soft.

Benefits:

- For dry, hard as well as damaged nails
- Restores the condition of the nails
- Prevents splitting and breaking nails
- Provides flexibility to harder nails
- Protects the nails

Use:

Herome Nourishing Nail Oil

Herome Nourishing Nail Oil should preferably be applied to clean nails and massaged into the fingers. The oil is absorbed by the nail and by massage. Thus, the growth of the nails is encouraged.
