### Description

Description:

Anti-wrinkle, Filler effect, Hydrating, Illuminating lip care treatment with Extra Pure Hyaluronic Acid

EPH Black Diamond High Tech Lip Care, 4 ml

The stick's fruity fragrance is marked by a delicate scent of bergamot and grapefruit, with floral middle notes of violet and lily that blend into a sweet chocolate embrace.

Black is non-colour par excellence. Lovers of black want to impress and seduce with their body. The colour also denotes elegance, mystery, solemnity and power.

Use:

Apply the Hyaluronic Acid stick several times a day on his lips. Ideal in the days when your lips are particularly dry or dull.
