Description

Description:

IncaRose Extra Pure Hyaluronic White Diamond Stick 4ml, Minty flavour for fresh sensation, sweet and fruity

Super-hydrating, smoothing, wrinkle filling Hyaluronic Acid for lips

Unique translucent techno stick for shiny and youthful lips. Its formula, with three different types of Hyaluronic Acid: in microspheres, with low molecular weight and with high molecular weight –instantly provides a triple filler, intense hydration and anti-ageing effect.

* Hydrating action * Anti ageing effect * Wrinkle filling * Instant illuminating

Use:

Apply the Hyaluronic Acid stick several times a day on his lips, ideal in the days when your lips are particularly dry or dull.
