Description

Description:

SECALIA is a complete range for cutaneous dryness. Adapted products with an ideal combination of emollient and moisturizing ingredients to help the skin recover its natural balance.

SECALIA ULTRA is a body milk containing 4 main moisturizing and emollient ingredients.

MAIN INGREDIENTS PROPERTIES

- **GLYCERIN (15%)**: reinforces the hydrolipidic film and strenghtens the skin barrier

- **VASELINE**: traps water in the stratum corneum and protects the skin against irritations
- **SHEA BUTTER**: improves elasticity, smoothness and suppleness of dry skin, soothes and nourishes
- **INCA INCHI OIL**: moisturizes, restores the cutaneous barrier function and has antioxidant properties

How to use:

Apply SECALIA® ULTRA to the areas to be treated once or twice a day or as directed by your dermatologist or your healthcare professional.
