Description

Description:

Designed for confident protection and complete discretion

Nursing your little one and spending time together creates a special bond.

While enjoying this time with your baby, you can continue to look and feel your best by using JOHNSON'S® Nursing Pads.

They are designed for superior absorbency, comfort, and complete discretion.

JOHNSON'S® Nursing Pads help you feel confident that you are protected while you are on the go.

Features:

- Super absorbent core - Special polymer pulls & locks moisture away from skin for longer lasting dryness
- Breathable protective cover - Keeps clothes dry while enabling airflow
- Silent, rustle-free design - Quiet under clothing for more discretion
- Cushiony-soft lining - For superior softness & comfort
- Exclusive contour shape - For a secure comfortable fit & complete discretion
- Unique indentation - Provides soft, soothing comfort

- Non-slip adhesive strip - Secures pad in place for confident protection day or night

Use:

For discreet protection, remove the paper cover on the adhesive strip and insert JOHNSON'S® Nursing Pads in any regular or nursing bra. The pad will absorb moisture and protect against leaks between feedings. You can use JOHNSON'S® Nursing Pads anytime between feedings.
