Description

Description:

Klorane Mango Butter Mask 150ml nourishes and repairs very dry and damaged hair.

Thanks to the rich and gourmet texture and the high content of the mango butter selected by Laboratoires Klorane, this Repair Nutrition Intense Mask allows extreme nutrition and repair of the most dry and damaged hair. It nourishes and restructures the hair shaft deeply, permanently, and closes the scales of the cuticle, so that the hair is less porous and more resistant to external aggression.

Results: Your hair, strengthened from the inside, find resistance and vitality. Perfectly smoothed, they are soft and shiny.

Use:

Klorane Mask with Mango Butter

- After using Shampoo with Mango Butter, remove excess water and apply mask in sections to hair lengths and ends.
- Comb through, leave on for five minutes, and then rinse.
- For optimal results, leave on for 20 minutes and cover hair with a warm towel.
- Use once a week as a deep treatment.
