Description

Description:

The purifying properties of Klorane nasturtium extract are further reinforced by the presence of a specific anti-dandruff complex. With its ultra-gentle, detangling emulsifying base and pleasant fragrance, Klorane Shampoo with nasturtium extract rapidly eliminates dry dandruff, characterized by small, lightweight, white flakes that come away easily from the scalp. Hair is thoroughly cleaned and its radiance restored. Formulated to minimize the risk of allergic reactions. Hypoallergenic.

Use:

Only one application is necessary. Leave for 3 minutes, then rinse thoroughly. Use twice a week as an intensive treatment then once a week as a follow-up treatment.
