Description

Description:

Lipikar Syndet AP+ immediately soothes atopic eczema-prone skin and helps reduce severe dryness starting in the shower. LIPIKAR Syndet AP+ is an ultra-gentle body wash formula enriched with Shea Butter and Niacinamide, associated with Aqua Posae Filiformis, a new and exclusive patented active ingredient to act on the determining factors of atopic eczema-prone skin.

Features:

No fragrance.

Tested under pediatric control.

Tested under ophtalmological control.

High tolerance.

Allergy tested.
Non-drying foaming body wash
Paraben free
For children and adults
Body and face

Ingredients:

AQUA POSAE FILIFORMIS: Exclusive patented ingredient, to act on determining factors for extremely dry skin and space out flare-ups of severe dryness.
NIACINAMIDE: Anti-inflammatory active ingredient. It soothes itching sensations. It also stimulates the synthesis of lipids within the skin. Well-indicated for atopic skin.
SHEA BUTTER: A key ingredient in all of the Lipikar formulas, Shea Butter is renowned for its ability to restore the skin's hydrolipidic film with lipids similar to skin's own.

Use:

Squeeze a small amount of LIPIKAR SYNDET AP+ into the palm of the hand. Apply to moistened skin.
Massage gently. Rinse. Does not sting the eyes.
