Description

Description:

LAC Taut Premium Hydrolyzed Collagen Drink is a dietary supplement which combines the benefits of natural ingredients to maintain the level of collagen for a healthy skin.

-RDS Premium Collagen

LAC Taut contains the required dose of RDS (Rapid Delivery System) premium collagen to provide a balanced level of skin collagen.

-Shark Cartilage Extract

The elastic connective tissues extracted from shark cartilage, abundant in elastin and collagen promotes elasticity of the skin.

-DNA (Albino Protein Extract)

Fights the effect of free radicals and protects the skin from premature aging.

LAC Taut Premium Hydrolyzed Collagen Drink

-Vitamin B6, Thiamine, Riboflavin

Vitamins are known for their stress relieving effect and restoring skin balance

-Hyaluronic Acid

Deeply hydrates skin from within to reveal moisturized and supple skin

-Aqueous CoQ10

Powerful antioxidant that helps fight against free radicals which results in healthy and younger skin.

-Vitamin C

Plays a basic role in collagen production and protects the fibers that support skin structures.

Use:

Take 1 bottle, preferably before bedtime, at least 3-4 times a week.

Shake well before drinking, drink immediately upon opening

Contains no pork or pork derivatives.
