Description

Description:

- A sebum regulating mask which balances the excess secretion of sebum
- Regulates the scalp's sebaceous secretions.
- Matt effect and deep cleansing.

Active agents:

- Sebaryl™, a complex of sulphur amino acids and zinc: Physiological sebum-regulator and natural astringent. Regulates the sebaceous gland. Purifies the scalp.
- Natural clay: Absorbs excess lipids from the scalp. Matt effect.
- Bamboo extract, burdock: Cleanses, regulates and purifies the scalp. Provides lightness and volume.

SPA Components:

- Water from the Zermatt glacier: Water containing minerals and oligoelements with decongestant and natural properties which soften and protect the skin.
- Refreshing fragrance: Fragrance inspired by the search for freshness, purity and nature

Use:

With dry hair that has not been washed, apply to the scalp strand by strand.

Leave to act for 5 minutes.

Rinse. Then wash with Purifying Shampoo.
