Description

Description:

- This intensive action concentrate nourishes and hydrates the hair deeply.
- It makes hair easier to disentangle and to comb leaving it with a silky feel.
- Provides a deep conditioning and softening effect on dry hair.

Active agents:

- Babassu oil(from the Brazilian Amazon): Nutrient and softening properties. Avoids dehydration, protects the hair and provides shine.
- Macadamia oil(from trees native to Australia)
- Volatile silicone.: Protects and softens the cuticle. Gives the hair a silky feeling and leaves it light and smooth.

SPA Components

Invigorating fragrance: Full bodied fragrance with aquatic aromas on a woody base.

Use:

Unscrew the top of the ampoule and attach the dose pump.

Spray the content onto clean, damp hair.

Comb through the hair.

Rinse.

Style as normal.
