Description

Description:

- Nourishing conditioner for dry hair.
- Conditions and softens dry and very dry hair.
- Makes hair easier to comb.

Active agents:

- Acqua-Oil Complex: Reconstitutes the protective hydrolyptic layer. The scalp becomes comfortable.
- Babassu oil(from the Brazilian Amazon): Nourishing and softening properties. Avoids dehydration, protects the hair and provides shine.

- Macadamia oil(from trees native to Australia)
- Hydromanil™: Hydrating sugar complex which is freed in sequence to capture the moisture in the skin. Immediate and long-lasting hydrating effect.

SPA Components:

- Water from the Zermatt glacier: Water containing minerals and oligoelements with decongestant and natural properties which soften and protect the skin.
- Invigorating fragrance: Full bodied fragrance with aquatic aromas on a woody base.

Use:

Spread over washed and towel-dried hair.

Apply to middle section of hair and ends.

Comb through the hair.

Rinse.
