Description

Description:

Olea Nature Bath and Shower Gel with Almond Oil stems from the experience of the researchers at the Angelica Herbalist institute. Full of essential fatty acids and renowned for its moisturizing power, the almond oil used in L'angelica Olea Naturae Bath and Shower Gel is cold-pressed to ensure as many of its natural properties as possible are retained. A key ingredient in traditional Mediterranean herbal medicine and cosmetics, almond oil helps to maintain an optimal hydration level for your skin, keeping it soft, supple and silky. Paraben-free, paraffin-free, silicone-free
