### Description

**Description:**

Your hair is fine, limp and lacks volume. After blow-drying, it falls back down and does not hold the shape.

Sulfate and silicone-free, the body-giving shampoo enriched with hydrolyzed rice proteins creates volume and restores body to fine hair. Rice proteins bring strength, volume and seals the hair fibre. Redensified, your hair is lightweight, regains a healthy shine and styling is easier with long-lasting volume.

**Use:**

Wet hair thoroughly. Apply evenly on the hair, gently massage to create a lather then rinse. Proceed with a second application if necessary. In case of contact with eyes, rinse.
