Description

**Description:**

Lierac Body-Slim Global Slimming Beautifying and Reshaping Body Contouring Concentrate 200ml is a contouring concentrate that will help you effectively to refine and reshape your cellulite.

This contouring care contains an unique association of ultra performing actives that act in synergy from the complex Morpho 4D. This complex contains :

- a cellular messenger peptide (Peptide NGF Like) that will reactivate the cell metabolism at 3 levels of the skin simultaneously.
- WTB system which is a new complex composed of 3 actives (Sacred Lotus-White Willow-Biotechnologic Peptide) which is able to transform the adipocytes of fat-stocking into adipocytes of fat-burning.
- Active caffeine complex

Day after day, the results are remarkable : cellulite is visibly faded, silhouette is refined and reshaped, the skin is firmer and toned.

**Benefits:**

- Reduces the appearance of cellulite
- Refines and reshapes the figures
- Firms and tones the skin
- Enhances, smoothes and hydrates

**Use:**

Massage morning and night onto problem areas (thighs, hips, buttocks).
