Description

Lierac Supra Radiance Double Peeling Mask renews skin quality, banishes dullness and instantly tones skin for a smoother appearance and a perfect glow. In addition, Lierac Supra Radiance Double Peeling Mask has an active texture with an immediate smoothing effect. Thus, it reveals instant freshness that lasts as long as the mask is on.

Furthermore, this mask combines white horehound extract, which fights toxin aging, with the anti-aging Hyalu-3 concentrate. It contains volcanic rock micro-crystals and a blend of AHAs for double peeling action and a “new skin” effect.

This mask has a floral, feminine fragrance where notes of freesia, pink peppercorn, and tonka bean mingle.

Consequently, skin quality is renewed and skin is radiant.
