Description

Description:

These tablets are made to an exclusive process with the minimum of excipients necessary to form the tablet. This material is rich in three important types of fibre - Hemicellulose 42%, Cellulose 28% and Pectin 27% (plus Lignin 3% which acts like fibre in the digestive system). The tablets are bland and are able to absorb about 8 times their own weight in water.

Contains no added sugar, salt, starch, yeasts, flavourings, colourings or preservatives

Use:

As a supplement, take two tablets half an hour before each main meal.
