Description

**Description:**

Activated charcoal contributes to reducing excessive flatulence after eating. Lifeplan's WindAway Activated Charcoal activated charcoal is unique because it is steam activated, which increases its absorptive power. Most activated charcoal is chemically treated to achieve the same affect. WindAway is not chemically treated. Designed to help reduce build up of intestinal gas  
Contains no: added salt, starch, yeast, flavourings, colourings, presrvatives

**Use:**

To help reduce flatulence, take 3 capsules at least half an hour before a meal and three capsules shortly after eating, as requires, Do not take more than 12 capsules a day
