Description

Description:

Our latest reasearch revealed that inulin extract is a great weight management stimulator when mixed with caffeine and Garcinia, without being paired with any strict diet and without causing any side effects. The L'ORGANICA LIE n FIT will help you control your appetite and increase fat burning by up to 3 times. An amazing 100% natural solution without any chemicals or artificial ingredients.

Use:

Take 1 tablet 30 minutes before breakfast or lunch, with a full cup of water.

Tips:

Avoid consuming energy drinks while taking L'organica Lite n Fit.

Drink two liters of water per day

Increase sugar intake if you feel tired or dizzy during the day (in case of extreme calorie restriction)

In case of constipation or bloating use our amazing L'organica Smooth Move Tea.
