Description

Description:

Retinol Eye Serum is the perfect eye serum for those who want the benefits of Vitamin A to minimize fine lines and wrinkles and to help manage dark circles and under eye puffiness. This eye serum does it all. Experience the benefits of Retinol Eye Serum and see how wonderful it feels when you look your best.

Key ingredients:

- Retistar A stable form of vitamin A (Retinol) which also combines vitamins C & E to offer an excellent source of antioxidants and skin protection while helping to diminish fine line and wrinkles without the irritation of traditional retinol.
- Symrelief A combination of Bisabolol and Ginger Root Extract. Bisabolol protects and heals the skin from the effects of daily stress.
- Lavadox Derived from the lavender flower, Lavadox is made of selected molecules of Spanish lavender oil (Lavandula stoechas).
- BVOSC A stable, oil soluble form of Vitamin C, called Tetrahexyldecyl Ascorbate, BVOS-C offers UV-protection, skin whitening, and anti-aging benefits as well as aiding in collagen synthesis.

M.A.D Retinol Eye Serum

- Sodium Hyaluronate 1% A complex carbohydrate, hyaluronic acids fastens onto collagen and elastin fibers and helps carry out vital skin function.
- Oristart DPG Extracted from licorice this concentrated powerful antioxidant has skin soothing and anti-inflammatory properties which help to rejuvenate the skin and promotes a more even skin tone and healthy glow.
- ProdeW 400 With its excellent retaining ability, ProdeW 400 is comprised of 8 types of amino acids as well as sodium PCA and lactic acid. In combination, this blend helps to protect the skin from dryness, it aids in moisturizing the skin and promoting elasticity.
- Matrixyl 3000 Contains matrikines, which are messengers of cutaneous reconstruction and repair.
- Argireline® A peptide that seems to reduce the severity and degree of wrinkles

Use:

This treatment is not meant for individuals who are sensitive to Retinol type products. Wash face with M.A.D Age Diffusing Cleanser and tone with M.A.D Anti-Aging Glycolic Toner. Dab Retinol Eye Serum lightly all around the eye area avoiding contact with eyes.
